

Your Money Partner is Here!

Could you use a money partner right about now?

I'm guessing you just might.

Of course, I may be totally off base here and you may have your situation handled.

And if so, that's great.

But if not, and if giving you a hand with your real estate issue is something you'd like to see happen, give me a call.

I'm not a lender (I'm only 4, for goodness sake).

Still, there's a decent chance I can come up with the pennies to make just about any real estate problem disappear.

Think, "allowance."

And if you've got a home at risk you absolutely cannot lose, let me know and I will get that thing squared away as your money partner within 48 hours.

Yes, just like that.

Talk to you soon (if you need me, that is ;-).

P.S. Have a junk piece of land you'd like to sell and could use a couple hundred bucks? Call me now and I'll bike on over tomorrow with your money (I can pedal REALLY fast!).
